MARBLE FOR EXTENSION UNITED STATES CAPItol.—To Owners of Marble Quarries.

CAPITOL EXTENSION OFFICE.

WARHINGTON, D. C., May 4 1833.

In order to collect information in regard to American ornamental markets, suitable for the interior described of the extension of the United States Capitol as Washinston, all persons owing veins or quarries of marble within the United States, which are worked or capable of being worked, are invited to rer d specimens to this office.

The openimens should be in blocks of cubical form, six in clear quarre on each face.

The following information should accompany each specimens: exact locality State, county, and town, nearest past office, name of owner, price per cubic foot at the quarry, cost of delivery at the nearest steamhout or railway stopping place size of blocks that can be obtained, with a imaging the effection of the quarry in cling the direction, thickness, and dip of the beds or veins into which the rock is divided.

The specimens should not vary much from the discussions above given; they should be boxed up, and a copy of the

marked with the name of the sender, as well as directed to this office.

The specimens should be sent by the ordinary channels of commercial transportation, and reasonable freight will be paid upon their delivery at this office.

Editors of country papers generally which circulate where markle is known or anapected to exist may confor benefits upon their districts by giving this advertisement an editorial notice.

Papers receiving a copy of this advertisement from this office are requested to insert it in the weekly for three menths, and sends copy of their paper, with their bills, to this flee.
